Permission to consent to Medical treatment

The medical information given is correct as far as I know.

In the event of an accident or illness YFC will liaise with the parent and will make every effort to contact parents.

In the event that I cannot be reached in an emergency, I hereby give my permission to the physician, selected by YFC acting on my behalf, to hospitalise or treat my son/daughter, including proper anaesthesia, injection or surgery. In the event of illness or any accident requiring emergency treatment of my son/daughter, I authorise Montgomery YFC (agent acting on their behalf) to sign on my behalf any written form of consent required by hospital authorities, if the delay to obtain my signature is considered inadvisable by the doctor or surgeon concerned.

Transport: I am happy for my son/daughter to be transported by a member of YFC, of either sex, to and from the event, if applicable.
