a) Comments and recommendations for the Youth Forum:

It was noted that more people should be involved upon the stage during the game that took place – this would help to keep people's attention.

## 8. YOUTH FORUM TRIP

Proposed dates and venues – It was agreed that this trip should still go ahead and that Staylitte would be the best place to go. As the chairman was not present this should be discussed in the next meeting.

## 9. FUNDRAISING

a) Arrangements for County Rally Fundraising

It was agreed that a target should be set next meeting. This target needs to be met before Roland's legs are waxed to encourage people to donate.

Posters should be sent to clubs to promote this event, and another way of promotion would be a Facebook event page .

On the day buckets and posters will be needed.

It was also suggested that a large picture of a pair of legs should be present at the rally – the more money is raised the more of the legs will be waxed.

## 10 NEXT EVENT

The next event will be the rally.

After this, the committee considered the Sports. It was suggested that a Bikeathon could take place to raise money for the Youth Forum. Clubs would take it in turns to cycle their distance to the next club in the county. This will be discussed further at the next meeting.
